CRAFTMAKER'S CHAIR

CARE INSTRUCTIONS

Rush: Rush is a natural material. Avoid direct contact or excessive water on the rush. Some detergents may cause damage or discoloration to the rush. Spot clean only with warm water, mild detergent and a damp cloth. Allow the rush to air dry completely before use. Do not use heat on the rush. When completely dry gently rub in a creamy beeswax gently (optional).

Oak: Gently wipe with a microfiber cloth and wax with a good quality wax polish.

Available in natural waxed oak, ebonised or painted beech, our Craftmaker's chair is a testament to artistry and comfort. Each Craftmaker's Chair frame is handmade in the UK, then rushed by uniquely skilled artisans in reeled rush or woven in danish cord.

Can be painted in any colour.
