## Cleaning instructions:

Brass: Soft dry lint free cloth.  
To polish use a good quality household polish.

Card Shades: Use a feather duster applied very gently.

Leather: Lightly wipe with a damp cloth taking care not to soak the leather.

As leather is a natural product, the characteristics of each hide will vary. Take care to avoid direct sunlight on the leather and avoid direct heat on the leather or proximity to a heat source as this may cause changes to the leather.
