CYLINDER TABLE

HAZELEY

CYLINDER TABLE

The Hazeley Cylinder Side Table offers the same polished stainless steel construction in a softened cylindrical form. Handmade in Yorkshire, the seamless structure and mirror like finish reflect surrounding light and movement.

DIMENSIONS

Cylinder

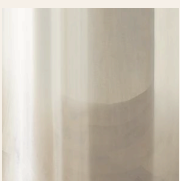

Width 43cm
Height 43cm

WEIGHT 35 kg

LEAD TIME

Approximately 6-8 weeks

FINISH

STAINLESS STEEL

CARE

Crafted from stainless steel with a mirrored finish, this surface benefits from gentle handling.

Dust regularly with a soft, dry cloth to maintain its clarity. For fingerprints or light marks, wipe carefully with a lint free cloth and a small amount of glass cleaner, then buff dry to restore the sheen.

Avoid abrasive pads, scouring products or harsh chemical cleaners, as these may scratch or dull the mirrored surface. Take care to keep hard or sharp objects away from the table to prevent surface marks.

N.B

This product is handmade in England
